

Steele Canyon's design came naturally to Gary Player. . .

Our 27-hole championship golf course was personally designed by Gary Player, one of history's greatest golfers, with a respect and appreciation for the natural beauty of the terrain. Since opening for play, Steele Canyon has been celebrated as one of California's most exciting golf courses.

Canyon # 4

Canyon # 5 at Sunset

With some of the most dramatic elevation changes in San Diego county, the **Canyon** Course is one you will never forget. Whether it is your tee shot on the Par 5 Fourth hole that must find what looks like a sliver of a fairway or the Par 3 Fifth hole where the ball stays in the air forever, you will never forget the **Canyon** Course.

Each of the three nines offers a very distinct environment and type of play for all levels of golfers, with the rugged **Canyon** Nine's dramatic shot-making challenges and breathtaking elevations, the **Ranch** Nine winding through the fields surrounding a working ranch, and the **Vineyard** Nine stretching along the pastoral valley floor with beautiful woodlands, streams and grapevines. Any combination of the three presents a round you are unlikely to forget.
