GENERAL MANAGER- COLIN RADCHENKO, PGA

Welcome our new Black Knight Members

Carl Bangerter

Eric Jackson

Welcome our new Associate Knight Members

Kraig Scott

SJ An

Kizy Ziad

Thomas Bentley

Congratulations to our General Manager Colin Radchenko on being named Golf Professional of the Year for the San Diego PGA Chapter. Colin was recognized by his peers at the recent PGA meeting in December at El Camino Country Club. The award is the highest annual honor given to a PGA of America Professional, awarded for qualities of leadership, strong moral character and a substantial record of service to the PGA and the game of golf. Colin has been an integral part of the Steele Canyon Team for approximately 20 years and now as the Corporate General Manager of all 5 Steele Canyon Club Corp properties his plate has never been more full. He handles it all in stride and continues to excel, we are truly fortunate to have such strong leadership at our helm. Next time you see him please be sure to congratulate and thank him for all of his efforts.

Welcome to the New Year! 2020 is going to boast a full calendar of fun events at Steele Canyon.

If you are newly engaged or planning a party for this year, we invite you to attend our Wedding & Event Preview on Sunday January 26 from 10am-2pm. We will be showing off our beautiful Pavilion decked out for events, provide complimentary food tasting from our catering menus and feature some of our very best preferred vendors. Admission is free, reservations are required. Call (619) 441-6907 today for your reservation.

Our full list of club events is listed here in our 2020 Event Planner. Event dates are subject to change depending on private event bookings. We look forward to seeing you at the club!

Reservations: events@steelecanyon.com

December has been a wet month and much of our time has been devoted to the continual upkeep of the bunkers. Our team pumps out the standing water when possible, but it is very time consuming and creates larger wet spots around the greens. Often it is better to let the water soak through and dry out, then rake the sand. There are several bunkers we will be putting in new drainage this winter and replenishing sand when the wet season ends.

We have also started building a new drop area tee box on Canyon #5 requested by the Steele Canyon Members. We have the shape of the tee box done and we are waiting for the days to get warmer and a little longer so that we may sod it with Bermuda grass to grow in and put to use. This will be used as an alternative drop to the Ground Under Repair area left of the green as well as for a lost ball short off of the tee.

This plant is called “**Firestick** succulent”... 'Sticks on Fire' or pencil cactus. The **toxic** white sap lives in the fragile branches that are easily broken off. Please take caution around them and seek medical attention immediately if the sap does come into contact with you.
