**SCORING CLINIC**

Did you know that 2 out of every 3 shots occur from within 125 yards of the hole?  
The key to scoring is learning the secrets from 125 yards and in.

Sign up for the Cleveland golf Scoring Clinic and receive expert short game instruction that will help you in all critical situations - chips, pitches, bunker shots, flop shots and more!

**Date:** OCT 10th      **Location:** Steele Canyon Driving range  
**Time:** 1 - 3 pm      **Price includes:** 1 custom fit, Cleveland  
**Cost:** \$160

Do your wedges look like this? If so, you are sacrificing performance in your most important scoring clubs. It is time to replace them to shoot lower scores!

**Congratulations to Dan McMillin for making an Albatross (2) on the Par 5 Canyon #4 on Sunday, SEP 13th! He also was getting a shot on the hole that day, so a net 1 on a Par 5 is tough to beat!**

**Albatross**

October is traditionally the month for “um-pa-pa” bands and shoulder-to-shoulder singing while hoisting the steins high! Except this year. We can keep your beer full, but the band and boisterous singing are on hold for now. However, do plan to join us for our Steele Canyon Oktoberfest running from October 18-30. We’ll feature German beer and German food specials throughout the two weeks. Check back often for the latest offers.

We have a new member in our Steele Canyon family. Please welcome Janine Semancsin. She’ll be hard to miss because she’s helping out in lots of places! See her on the beverage cart, at the snack bar and in the restaurant. A Janine-of-all-trades, if you will.

Looking ahead, on November 6 we’ll have our annual Prime and Wine. Can’t go wrong there! More details to come, but put it on your calendars now.

**Our next dinner event is**  
**Prime & Wine Night**  
Saturday, November 6, 2020  
6:00pm Cocktails; 7:00pm Dinner

Reservations are required contact us at  
(619) 441-6907; or via email [events@steelecanyon.com](mailto:events@steelecanyon.com)  
or call the golf shop at (619) 441-6900  
**Steele Canyon Event Card is Valid**

Finally, my heartfelt thanks to all of the members who have stopped by to provide me with constructive feedback on how we are doing. I invite more. Just wave me down or find me in my office. My goal is to get things right and improve all aspects of your dining and event needs.

**October 18-30**  
**German beer & German food specials**

**GOLF COURSE MAINTENANCE**

In the month of September the maintenance team started preparing the golf course for the winter weather. We started with the greens by double verti-cutting and then aerating with a ½" hollow tine to pull out cores. Afterwards, we top dressed with a 30 grade silica sand which we dragged into the holes with a cocoa mat. The tee boxes were also scalped down, reducing the Bermuda grass, and then we used a drop spreader to seed the inside edges of the tees and a rotary spreader to seed the remainder of the tee box. We also did a wrap around the green collars by using a drop spreader as well. All of this is done to help the cool season rye grass come in stronger and healthier, which is why we also must limit the traffic on it with the specified tee boxes.

You will also notice some significant changes with the practice range. To start, we have installed a sun shade on the north side of the range to provide some relief from the heat. We will see how this handles the elements of the winter before potentially expanding it more. Also on the range we have added some definition to the green complexes with bunkers. A layer of seed was also placed on the greens and tee. We look forward to it popping with some color in the next few weeks. Finally, new range balls have arrived. Come on out and get your game fine tuned!
