Congratulations to
Brian Bane

Brian aced Canyon #7, July 27 in the Bo
Tour event at Steele Canyon from the white
tee monument and claimed the Hole-In-
One prize pool of \$220. Please give the golf
shop \$10 cash next time you are in if you
would like to take a shot at the next HIO
prize pool!

Thank you to those who stopped by during the Club Championship last month. Our tasty Street Tacos were quite a hit! And if you didn't already get in on it, we're continuing our Member Appreciation Butcher Shop sale. We did a bulk purchase to offer the best quality filet mignon, succulent "skewer" size shrimp and juicy chicken breasts at prices you can't touch in a regular market! Get your order in though because our supplies are going quickly.

For September, we are moving forward on planning to have our members favorite California Clambake. At this point we are shooting for September 19 beginning at 6pm. Steele

Canyon Event & Social Member Plus cards are valid. More information to come in the next week.

What better wine to go with a clambake, than a crisp, dry rose? We're pleased to announce that we bought several cases of Ion Rose from Northern California and can offer it to our members at the price of only three bottles for \$21. Served chilled with its bright strawberry notes, it's a perfect summer wine. Ask us for a taste.

California Clam Bake
Saturday, September 19th
\$48.95 per person
Starts at 6pm

For reservations please contact Rene Acosta at 619-441-6907
or via email at events@steelecanyon.com

**GOLF COURSE MAINTENANCE**

We are very fortunate to have the current amount of ground water available to us so that we are not strictly buying from Otay. With the fertilizer application that we applied and proper irrigation we are able to maintain the course in very good condition. We also added a wetting agent application to help retain moisture and we put iron in the mix so the fairways look greener than the roughs giving the course a nice contrast between the fairways from the roughs.

Take a look at Vineyard 8 and Ranch 5 with the sightlines re-established.

Fall Maintenance is right around the corner. During these dates we will be 18 holes only as we let the winter rye grow in. Members, please be sure to schedule your tee times in advance!

Fall Maintenance Schedule Aerification & Over seeding
Vineyard Closed Sep 14 thru Sep 24
Ranch Closed Sep 28 thru Oct 8
Canyon Closed Oct 13 thru Oct 22
